

I listen to K-Love radio station as a resident of my local community. It is uplifting and encouraging. I only listen to Christian radio, and if K-Love were to be displaced by an LPFM broadcaster providing other programming, I would not be happy.

K-Love provides a service that I believe is in the public interest because it is family friendly - as a parent I do not have to worry about what my child will hear. It's positive and there is no profanity or anything obscene--which matters to me as a Christian and as a parent. Please do not replace my K-love signal with an LPFM signal that may not have the same family-friendly programming. K-Love supports wholesome values, that's why I support K-Love.

Thank you for reading and valuing my comments/input.
